Dear Mr. Orlando:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report discloses apparent earmarked contributions to Federal candidates as non-MEMO entries on Schedule A and as MEMO entries on Schedule B. Please be advised earmarks to Federal candidates that have been forwarded to the candidate(s) in the form of the original contributor's check should be properly disclosed as MEMO entries on both Schedules A and B. If these earmarked contributions were forwarded to the candidate(s) in the form of committee check these entries should not be disclosed as MEMO entries on either Schedule A or B. Please amend your report to properly disclose these contributions.

-Pursuant to 11 CFR §110.6(c), all earmarked contributions, that have passed through a conduit's account, must be itemized on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of the amount. Please identify the original contributors for the earmarked contributions disclosed on Schedule B.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Operating

Expenses should be properly disclosed on a separate Schedule B, supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1157.
